

FREQUENTLY ASKED QUESTIONS

How to get a student identification card and a locker?

To receive a card, you must request it at the student service office (Studienservice) where you will later also pick it up. You can get the keys to the locker at the doorman. You'll have to pay for it, but when you return the keys, your money is returned.

How can I practice at GMPU?

In case you already have your student card, you can practice with it in all the premises of the university, if of course there is no lessons in the particular room at that time. Do the following, find a spare room and ask the doorman for the keys and leave the card with him. The time of the your practice is not limited, but in the event of a large room demand, after two hours, the other students will have the opportunity to take over your room. This allows everyone to have equal practicing opportunities.

Are there any concerts going on outside of GMPU?

Outside the university there are often student-organized "jam sessions", classical concerts in the Konzerthaus (ground floor of our university), opera and ballet performances in the city theatre, open-air concerts in the summer and much more. So follow the posters posted in school hallways, join the "GMPU Klagenfurt/ Klagenfurt" group on Facebook or follow us on your Instagram profile @gmpustudienvertretung and keep posted.

Who can I turn to with questions about my studies?

You can always contact members of the student council. You can reach us by email studienvertretung@gmpu.ac.at or leave us a message in our mailbox, which is on the third floor. We will do our best to find the best solutions and deploy you in the right direction if needed!
